

Mohlapi Albanos Tlabo

Self-Taught Front-End Developer

Pretoria | South Africa

albanostlabo0@gmail.com | albanos-personal-portfolio.netlify.com | <https://github.com/Thato-t>

I am a passionate and self-motivated front-end developer with experience in building and deploying responsive web applications. Proficient in modern web technologies, including HTML, CSS, JavaScript, and framework like React. Dedicated to continuous learning and creating user-friendly interfaces. Successfully developed and launched multiple projects, including a personal portfolio website showcasing creative and technical skills.

SKILLS

- Front-End Development: HTML, CSS, JavaScript, React, Tailwind, Sass.
 - Backend & Databases: Bash Scripting, PostgreSQL, MongoDB, ExpressJS.
 - Development Tools: Git, GitHub, VS Code, Figma.
 - Microsoft Tools: Word, Excel, Access.
 - Design & UX: Responsive design, CSS animations, Flexbox.
 - Soft Skills: Problem-solving, adaptability, continuous learning, attention to detail.
-

PROJECTS

(Explore more at albanos-personal-portfolio.netlify.com)

TODO LIST

- A to-do list website with task creation, deletion, and completion tracking using React and Sass.
- Implemented local storage to save task persistently, ensuring data remains available across sessions.

MORTGAGE CALCULATOR

- Built a tool to calculate monthly mortgage payments based on loan amount, interest rate, and term.
- Implemented real-time calculations with instant updates as users change inputs.

RANDOM QUOTE GENERATOR

- Created an app that generates random inspirational quotes.
 - Added a 'Tweet Quote' feature for sharing quotes directly on Twitter and Facebook.
-

EDUCATION

- FreeCodeCamp (Online) – Front-End Development, JavaScript, and more.
 - NCV Level 4 in Electrical Infrastructure Construction (in Progress).
-

CERTIFICATIONS

- Responsive Web Design Certification – FreeCodeCamp.
 - Front-End Development Libraries Certification – FreeCodeCamp.
-

LANGUAGES

- English.
-

ADDITIONAL HIGHLIGHTS

- Built over 10+ personal projects showcasing a diverse skill set.
- Continuously expanding knowledge through online courses and tutorials.
- Strong ability to manage, work independently, and bring ideas to life through code.
